

# Prisma Traditional

Release Notes for 2021.116 (18th August)

## New Features

### **Division logo is now available to be printed on campaign documents**

The agency administrator now has the ability to upload division logo in master data. Once uploaded, the planner and buyer can choose to use division logo in the spot plan for client sign off and/or booking order for vendor confirmation.

### **A new booking order export template is available**

The buyer can export their booking order details in a new order template if their agency administrator configured so in the agency settings.

## **THE FOLLOWING IS A FIXED ISSUE LIST FOR THE CURRENT RELEASE OF PRISMA TRADITIONAL:**

- 修复了 OOH Spot Plan 因数据量过大而无法保存的问题
